## **THE BLOOD OF THE EVERLASTING COVENANT**

- God made an everlasting blood covenant with Himself on our behalf.
- Ancient people groups understood this and made blood covenants between themselves.
- The blood of the everlasting covenant is the central theme of the Bible and the most powerful story in the Bible.
- Every spiritual benefit God has for His people flows out of the blood of the everlasting covenant.
- We cannot understand the Bible or God’s promises for us without a revelation of the blood of the everlasting covenant.
- While God relates to us through His sacred blood covenant, few believers understand this subject.
- Dr. Booker’s pioneering teaching on this subject has greatly impacted the lives of thousands of believers around the world.
- Join us for this life-changing course as Dr. Booker explains in-depth the ancient blood covenant rituals, how they picture Jesus and how we can walk in the covenant blessings of God.
