

The Institute for Hebraic Christian Studies presents a dynamic six lesson course on the Biblical Hebraic/Jewish Roots of Christianity

## The Root and Branches

**Mondays, Oct. 17 – Nov. 21, 7:30 - 9:00pm**  
**Classes at Congregation Lion of Judah**  
**68 Northampton Street, Boston MA**

Why should Christians learn about the Hebraic/Jewish roots of Christianity? The root is the origin, the cause, the source that establishes and gives life to that which is attached to the root. In order to understand the New Testament the way the writers intended for us to understand it, we must study it within the context of its Hebraic/Jewish roots. The more we learn about our Hebraic/Jewish roots, the more fruitful we can be in our Christian lives.

- Lesson 1**  
Why Hebraic/Jewish Roots?
- Lesson 2**  
The Covenants
- Lesson 3**  
The Sabbath
- Lesson 4**  
The Feasts
- Lesson 5**  
Anti-Semitism
- Lesson 6**  
The Rebirth of the State of Israel

When we fully understand the Abrahamic covenant we more clearly comprehend the Bible and God's plan for Israel and the nations. It is the most important preview on the earth of God's everlasting covenant in heaven.
